CONDITIONS OF CONTRACT:

A. Exhibitors requiring rigging should submit an order to Technical Services Department of the SEC 14 days prior to commencement of build up together with a full description of the item(s) to be rigged. All rigging items must comply with National Arenas Association (NAA) Rigging Guidance.

B. Your order should include the following details:-

- i. Total weight of the item to be rigged including attachments, light fittings etc. Where light fittings are attached give details of how the weight is distributed
 - ii. Height required from floor level to bottom of item.
 - iii. Dimensions of item.
 - iv. Details of how rigging wires may be attached to item.
 - v. Drawing of stand showing orientation in the hall and the position of the item with measurements in from perimeter of stand
 - vi. Day and time the item should be rigged. Items to be rigged are required to be on site as early as possible, and in any case by the first day of build up.
-

C. As per our terms and conditions of contract, payment must be received in advance before any work will be carried out and should be enclosed with your order. SEC reserves the right to refuse to process orders until payment for the service has been received. A VAT receipted invoice will be forwarded to you on receipt of payment. A 25% surcharge may be made for late orders and no guarantee can be given that the work will be carried out.

D. SEC cannot guarantee specific times for work to be carried out.

E. Rigging work contracted to others must first be approved by SEC Ltd. In this instance public/product liability insurance, rigging plots and test certificates must be submitted to the Technical Services Dept. 14 days prior to commencement of build up. The appointed company must have the necessary credentials and experience to carry out rigging work.

G. In relation to the breakdown of the event, the normal procedure is that most items will be de-rigged on the day after the last open day of the event. If you require your item to be de-rigged on the last open day, you should make specific arrangements with the SEC. You should make arrangements to receive your item at the time it is de-rigged, failing which it will be left on your stand for collection and it will then be your responsibility to ensure that it is picked up by you or your representative(s). SEC will accept no liability for the item after it is de-rigged. Any items left for a period of time will be charged for disposal.
